

Company Overview ◀

Registered on August 14, 2003, CAT Telecom Public Company Limited (CAT) was corporatized from the Communications Authority of Thailand (C.A.T.) under the 1999 Corporatization Act. All businesses, rights and obligations, assets and liabilities related to telecommunications businesses of the Communications Authority of Thailand were transferred to the newly established CAT to ensure effectiveness of seamless operations and service provisioning. Having 100 percent stake of its share capital held by the Ministry of Finance, CAT still maintains a state-owned enterprise status.
